SHS

1977-2002

In 1977, the tradition of education, spirit, and loyalty came to Sanger High School. This was brought by the community, faculty, and especially by the students of this new school. Many of the faculty members have been here for a long period of time, and have made a big impact on the students lives throughout the years. The office staff have kept the students together and at school on a day to day schedule. As for the students they've all had the same mission, "to succeed in life." And with the faculty and the office staff coming together, this goal has been accomplished throughout the years. There are many students involved in athletics, band and other clubs. Through these involvements they have won many awards and trophies to show their spirit for the school. The students at Sanger High have also showed many accomplishments in academic competitions. Faculty, office staff and students have all come together and supported each other outside of school as well as in school activities. Although many years have passed, the tradition of Sanger High still remains and the traditions will be moving to a new school. This will bring more growth to the school and community. The new Sanger High School will be established on Monday, August 19, 2002. By Katie Kastens

During the summer of 2001, several students and Mr. Jackson, Mr. Keith Iry, and Ms. Harris went on a trip to Europe. The trip lasted for 2 weeks and everyone had a good time, even though a couple of students almost got lost. Mr Iry proposed to his girlfriend on the Eiffle Tower.

I have enjoyed my stay in Sanger so far because it's a nice little school with nice people. I was welcomed here very friendly & found a lot of friends very quickly. The classes are pretty easy to me & I have enjoyed learning about the American History & government, after all it is a great experience for me.

Thank you Sanger! I had a great time being here. The past year was probably the most exciting one I've had so far. Students as well as teachers were very nice. You made the not always easy life of an exchange student less difficult. You're all awesome guys! A special thank you to all the coaches. You gave me the possibility to make the most out of my time here. Sanger, I will miss you all. Have fun & success at the new high school. GO INDIANS!
